CASE NO. 18-cv-00029-YGR

ORDER RE: DKT. NO. 56

12 The Court is in receipt of plaintiff ACF 2006 Corporation's and defendant Simona A.
13 Farrise's (herein, the "stipulating parties") stipulation for entry of order granting plaintiff's motion
14 for temporary protective order, right to attach order, and order for issuance of writs of attachment
15 (the "Motion"). (Dkt. No. 56 ("Stipulation").) However, the stipulation does not specify the
16 funds disbursed from West Coast Escrow, including the exact dollar amount, as to which the
17 prejudgment remedies sought in the Motion will be granted. Moreover, the stipulation references
18 a proposed order, filed at Docket Number 36, which appears to be factually inaccurate and
19 inconsistent with the stipulation reached by the stipulating parties. (*See* Stipulation at 3.)

20 The stipulating parties are hereby **ORDERED** to submit an updated stipulation by no later
21 than **Friday, April 6, 2018**. The stipulation must: (1) specify the funds disbursed from West
22 Coast Escrow, including the exact dollar amount, as to which the prejudgment remedies sought in
23 the Motion will be granted; and (2) include a proposed order which accurately describes the
24 relevant proceedings thus far and reflects the updated stipulation reached.

This Order terminates Docket Number 56.

IT IS SO ORDERED.
